STRATEGIC PLAN COMPLIANCE

Meets 2017 Strategic Plan Element 2.9: Continue to incorporate water saving practices into standard operations. Follow through with drought-related turf conversions in the parks and consider and implement a variety of cost effective water-saving solutions.

Meets 2017 Strategic Plan Element 6.9: Evaluate enhanced recycling and energy conservation practices. Evaluate and enhance our recycling and energy conservation practices within the District and at District properties and events to assure that we continuously improve the District's recycling, energy conservation, resource utilization and related practices.
