STRATEGIC PLAN COMPLIANCE

Meets 2020 Strategic Plan Goal 8.5: Continue to incorporate water saving practices into standard operations. Continue the drought response related irrigation and landscape improvements, and continue to seek opportunities to save water in the parks, expand and diversify the District's water supply portfolio and consider and implement a variety of cost-effective water-saving solutions.

Meets 2020 Strategic Plan Goal 8.6: Evaluate enhanced recycling and energy conservation practices. Evaluate and enhance our recycling and energy conservation practices within the District and at District properties and events to assure that we continuously improve the District's recycling, energy conservation, resource utilization and related practices.
