

YOUTH OUTREACH QUARTERLY REPORT

YOUTH OUTREACH Mission

Seek out and meet with non-involved and hard to reach adolescents and encourage positive self-expression and the development of core life skills.

ON CAMPUS SUPPORT

Outreach at Football Games

Outreach has attended numerous games throughout the season, supporting local teams and providing additional assistance to high school staff. Being present at games has given outreach staff a chance to further relationships with students in a fun atmosphere. Outreach staff are able to chat with students and find out where the hot spots are around town to hang out after the game.

OUTINGS: REIGN OF TERROR

The Youth Outreach team in partnership with Safe Passage, planned 2 eventful outings for the teens that live in the Conejo Creek and Los Feliz area. The outings were a success with 27 Conejo Creek teens and 14 Los Feliz area teens attending the outing. This yearly outing is always one of the most sought out events by the students; as a result, Outreach uses it to incentivize students to make positive choices in and out of school to earn their spot for Reign of Terror. After the scary walk through, Safe Passage sponsored dinner for each of the teens.

CONEJO VALLEY HIGH SCHOOL BACK TO SCHOOL NIGHT

On September 17th, Conejo Valley High School held a back-to-school night. Outreach Specialist, Cristal Rodriguez and Luis Sanchez attended the event and provided information regarding Youth Outreach and the Teen Center. This event was a great opportunity for the Outreach team to meet with students and also meet the parents of the students they work with.

INTRAMURAL SPORTS

The Outreach team has partnered with students from Thousand Oaks High School to help facilitate their intramural sports program. This program is run by students that play a respective sport at the school and students who aspire to play a sport. This has been a terrific inclusive opportunity for all students to highlight their abilities on the court or field. The students show up during their free time to participate in different sports such as soccer, kickball, and dodgeball! The turnout has been a success so far with 70 students participating and it is continuing to grow.

OUTREACH OFF CAMPUS FRIENDSGIVING

at the Teen Center!

During Thanksgiving break the Youth Outreach team organized a Friendsgiving BBQ. Students from various schools throughout the Conejo Valley area came together to celebrate, enjoy delicious burgers and an afternoon at the Teen Center. This year, 25 students attended, making it a successful event. We are looking forward to hosting more gatherings in the future and creating lasting memories among our students.

"Dan's making the burgers?
Alright bet I'll be there"
- K.V , WHS 10th grade

TEEN CLUB

The Youth Outreach team continues to hold Teen Club programs at 3 community sites. Dan Nalbandian hosts his Teen Club at the Conejo Creek condominiums in collaboration with the Borchard Community Center staff. The Teen Club in the Los Feliz area is hosted every Thursday from 4-5:30pm by Cristal Rodriguez and has seen a consistent turnout of 20 students each week. Luis Sanchez hosts a program on Wednesdays from 4-5:30pm at the Los Arboles Apartments. The popularity among these Teen Clubs are a testament to the positive impact it has on teens social development. Snacks, games, homework help, crafts and social opportunities are planned each week at all the sites.

CYCLES FOR SUCCESS

The Youth Outreach program continues to support teens with transportation needs with the Cycles for Success program. This fall Outreach continued to receive gently used bikes from community members as well as an amazing donation of 5 new bikes from Subaru of Thousand Oaks. Throughout the fall Youth Outreach donated 20 bikes to students in the Conejo Valley Unified School District. Referrals came from school staff and district administrators. Thank you to Thousand Oaks Kiwanis volunteers who assist with getting the bikes tuned up and ready to be ridden.

SHOWING UP AT STUDENT EVENTS

"Hey Luis, did you see I beat my PR?"
- A.C. WHS 9th grade

"Thank you for showing up. It means a lot to me you're here."
- B.C. WHS 9th grade

This fall Youth Outreach Specialist, Luis Sanchez, showed up to various sporting events to support students who meet with the Outreach Specialists. It gives the students a sense of pride and accomplishment to have someone they know as a spectator.
